Safety Pharmacology Society Distinguished Service Award
Nomination for the 2008 Recipient

The *Safety Pharmacology Society Distinguished Service Award* is an honor to an individual who has substantially contributed to the field of Safety Pharmacology in one or more of the following areas: specific research achievements, champions of the field, lifelong contribution to the field, substantial specific contribution, visionary direction, regulatory decisions, science of the field, education, collaboration between industry and academia

You are encouraged to submit the name of a nominee using this form. Nominations require a sponsor and co-sponsor (both members of the Safety Pharmacology Society); the nominee does not have to be a member of the society. The application deadline is January 11, 2008.

Print and return completed form to the Safety Pharmacology Society Headquarters.
